

11-11-16

Monday	We read the Biggest Leaf Pile today and the children sequenced the story. In math, we are working on measurement and also introduced the scale. The children will have a chance all week to use the scales during center time.
Tuesday	NO SCHOOL~ ELECTION DAY
Wednesday	Our story was called Fall Changes and we talked about the 5 senses this morning. This week wraps up fall and the changing weather. In science we learned about the different places that trees grow.
Thursday	WOW! What a short week! Math is going great with measurement and working with scales. We read 3 short stories about Fall and the changes that happen. We made a list of all the things we learned about fall. Have a great weekend. Please see the attached letter about the TWO chances to help families in need.
Friday	NO SCHOOL~ Veterans Day
