

Hello!

Hello. Welcome to week two of kindergarten. The children are doing a great job with the class routine and following the directions. My web page is up and running (for the most part). You can reach the page by going to <http://kindergartenhomepage.yolasite.com> or by going to the Ashaway home page and click on the teacher web pages.

<b>Monday</b>	NO SCHOOL Labor Day
<b>Tuesday</b>	The children had a chance to use their math and handwriting books, science journals and reading bins today. They were very excited with the new materials. We also finished our writing from Friday. In math, we have started working with the numbers 1, 2, and 3.
<b>Wednesday</b>	We are working hard on learning names of our friends. Today's story was called <b>Chrysanthemum</b> and we talked about names in the classroom. They had an art project to go with today's story, no writing which was nice.
<b>Thursday</b>	The children practiced a fire drill for the first time today. Mr. Scanapieco will start doing school wide fire drills next week. The children did a great job with the drill. Our story today was called <b>I Like Me</b> . The children completed scientific illustrations of themselves. I hope you were able to find your child's picture at open house. Speaking of open house, WOW thank you so much for a great night.
<b>Friday</b>	Happy Friday! We completed our second week of kindergarten. The children are working hard on the routine and our daily lessons. It's amazing how quickly they are picking up the routine. Our story today was <b>A porcupine Named Fluffy</b> . It was a cute story about a porcupine and rhinoceros with unusual names. Ask your child about their favorite part. Have a great weekend.

# Upcoming Events
