

Hello,

Happy Friday! The field trip was a blast. The children had a great time and it was a nice way to integrate learning about pumpkins and the fall season.

Monday	We are still working on rhyming in our daily 5 groups. The children are getting better with rhymes, but still not 100%. We introduced pumpkins and in our ELA block read the story Fall Pumpkins . The children started a KWL chart and provided us with information they already knew about pumpkins. In science the children completed an apple tree in different season's assessment.
Tuesday	I was not in school today. Mrs. Lee and I were at a 2 day conference. The children read Chicka Chicka Boom Boom and completed Chicka Chicka Boom Boom tree. In our ELA block, the children read Apples and completed an All About Apples Mini book. The children were amazing for the substitute today. I was very happy to hear that.
Wednesday	I was out again today (conference). In math the children worked on a review page writing the numbers 1-5. They have gotten much better with the numbers. In our daily 5 block, the children worked on a Kissing Hand mini book. They talked about words on a page, what the pictures might mean and the concept of left to right (beginning reading starts here). They also read Pumpkin Circle and completed pumpkin circle page.
Thursday	It was SO good to be back in the classroom today. I do not like to be out of my room, so 2 days out was a struggle for me. The children were well behaved for the sub and it sounds like they had two great days. In math, the children completed an exit card on the numbers 1-5 and then we discussed each card. The children did a nice job giving feedback to the other children. We read A day at the Pumpkin Patch and wrote about they would see at a pumpkin patch.
Friday	Field trip was awesome! We had a mellow afternoon with a long center time and writing about their first field trip.

Upcoming Events

October 10 No School Columbus Day	October 13th 1st bank day	October 17th-October 28th Yankee Candle Fundraiser	October 18th School Wide assembly with David Jack @ 10:00 Parents welcome	October 20th Early release. Children leave at 1:55
