

10-28-16

Happy Monday! Sorry I did not get this out on Friday, it was a very busy day with the field trip. Thank you to all who helped chaperone. It was a great trip! Homework will start tomorrow. All homework will be explained in the classroom before it is sent home. Please send it back whenever it's completed. It does not have to be returned the next day.

Monday	Our story was called The Stubborn Pumpkin and we introduced the vocabulary word stubborn. The children had to write about a time that they were stubborn. In science they went outside and observed our school yard tree. In math, the children completed an exit card (assessment) on regular and geometric shapes.
Tuesday	The children had a chance to illustrate their school yard tree in science. We are working hard on using realistic colors and looking closely at the details. Our story was called At the Old Haunted House and the children had to decorate their haunted house. They also wrote about things they would see in a haunted house. In math, they competed a roll and count paper. We go back to counting and recognizing numbers 1-10 all year.
Wednesday	The children heard the story called Georgie's Halloween and wrote if they were like the character Georgie or not. In science they labeled the parts of a tree.
Thursday	We read The Legend of Spookley the Square Pumpkin and wrote about how Spookley felt. I was not in school today, but I heard the children were excellent for the substitute.
Friday	Thankfully, the rain stopped and we were able to walk to the fire station and have a great field trip. When we returned to school, we worked on a fire safety book. We also watched the movie Spookley the Square Pumpkin. Have a great weekend!

Upcoming Events

November 7 PTO meeting	November 8 NO SCHOOL	November 10th Bank day	November 11th No school	November 17th Early release & Main Street dinner
