

Hello!

I'm very happy to say the children are doing a great job with the classroom routine. Sometimes they know what's going on more than I do 😊 Please make sure your milk money is in an envelope and your child's name is clearly marked. Also, please make sure you have a change of clothes in the backpack. Accidents WILL happen.

Monday	Happy Monday! We read a story called The Name Jar and decorated their own paper jar with pictures to describe themselves. In math, the children used dice and counted the dots to complete a math paper. We are still working on counting and recognizing 1-6. We will focus on writing the numbers next week. In Science, we started graphing the weather. This is done daily.
Tuesday	No School
Wednesday	We continued counting different objects in math. In our ELA block, we listened to Chrysanthemum on the smart board and completed a paper on how they are alike/different from Chrysanthemum. In science we completed a weather writing entry.
Thursday	We visited Chester the raccoon today with a story called Chester the Brave . The children had to write about a time they were brave. Their responses are posted on the web page. We continued counting numbers 1-6 in math and this afternoon we made Chester puppets. The children also used the iPads during our daily 5 rotations. They were very excited to use them.
Friday	Today's math consisted of making a class graph with the children's names. In our ELA block, we read Chester and the Big Bad Bully and completed our 1 st "I Predict" writing piece. We stopped reading in the middle of the story and the children predicted what was going to happen. Once the writing was completed, we came back and finished the story. Have a great weekend!

Upcoming Events

September 20th After school enrichment begins	September 22nd Early release Children leave at 1:55	September 23rd Family fun night and Ice Cream Social	October 3rd PTO meeting at 6:00	October 13th 1 st bank day
